> A pleasant hop under the management of Mr. J. B. Ward was given at Turner hall last night, and a number of our young people enjoyed themselves greatly in dancing to the strains of sweet music until a late

Don't despair because you have a weak constitution. The vitalizing principle of Herbine will assuredly strengthen it. In every drop of Herbine there is life. There is a stimulating, regenerating power, unequaled in the whole range of medicinal preparations. Price, 50 cents. For sale by Crenshaw & Young. 5-4m1

Rev. L. F. Clark, of Waverly, came in last night from New Orleans, serves a better patronage to assist in where they have been attending the paying the expenses of the games. general missionary conference of the Go this afternoon and help the boys M. E. church, South, and left for home this morning over the J. C. B. & L. branch.

> Mrs. Joe Littlejohn, living on the D. A. Slusher farm, east of town, has an incubator that has made a fine record this spring. Some time ago she placed 230 eggs in the machine and a few days ago took out 202 as lively and pretty little chicks as ever came from under a careful old mother hen. This impresses us as a fine record and if any of our readers have a better record to show the INTELLIGENCER will be glad to appounce it.

> Those lovers of base ball who failed to be present at the game at the academy grounds yesterday afternoon missed a treat. The game was one of the prettiest that we have ever seen played here and was close and exciting from start to finish. Both sides were on their metal and the close score all through the game made it uncertain as to the winner until the last balf of the last inning. when the cadets got in two rons and won by a score of 7 to 6. Such ball as was played in the game yesterday is deserving of a more liberal patronage.

Eggs Pay the Freight.

Missouri dealers, perhaps, have never figured on the profit to be derived from the eggs in shipping a car load of chickens, says a Kansas City paper. In shipping a car of chickens. to California at this time of year theeggs laid during the eight days of transit about pay the freight. The car will hold about 3,000 chickens and each day the eggs are gathered and at the end of a journey 100 cases will have been filled, which, when sold in California at 15 cents a dozen, willrealize \$450, which amount will paythe charges on the car. Cases are taken along and all calculations made to care for the daily supply of eggs. The hen is sure a good thing.
